## FIRM ANNOUNCEMENTS

We would like to take this opportunity to make some announcements regarding our Municipal Team:

- Congratulations to [Thomas D. Marriott](#) who was selected by the partners as the new Managing Partner for Brownlee LLP. Thomas was called to the Law Society of Alberta in 1989, the Law Society of the Northwest Territories in 2005 and the Law Society of the Yukon in 2009. His areas of practice include utility regulation, municipal law, construction litigation, First Nation litigation including treaty claims and election challenges, expropriation and safety codes. Tom took over duties as Managing Partner in November 2010.
- Congratulations to [Jeneane S. Grundberg](#) who was selected as the Practice Area Leader for the Municipal Department. Jeneane was called to the Law Society of Alberta in 1989 and has practiced law for most of her career at Brownlee LLP. Her areas of practice include municipal government law, land use planning, development and zoning matters, administrative law and land law. Jeneane took over duties as PAL in January of this year.
- Congratulations to [John C. McDonnell](#) and [Alvin R. Kosak](#) of our Municipal Team who were welcomed into the partnership of Brownlee LLP in 2011. John was called to the Law Society of Alberta in 2001 and has been practicing with Brownlee LLP since 2005. John's areas of practice includes infrastructure, public utilities and municipal utility services, commercial real estate and leasing, and general corporate commercial law. Al was called to the Law Society of Alberta in 1987 and to the Law Society of Upper Canada in 1990. Al's areas of practice includes property assessment appeals, municipal litigation, administrative law and insurance litigation.
- Welcome back to [Michael S. Solowan](#) to our Municipal Team. Michael, who articulated with Brownlee LLP and was called to the Law Society of Alberta in 2006, returns to our Edmonton Office after being the City Solicitor for the City of Leduc for the last 4 years. Michael's areas of practice include municipal law, governance, bylaw and policy preparation, municipal liability and risk management, emergency services and administrative law.
